A Good Kind of Trouble by Lisa Moore Ramee
HarperCollins/Balzer Bray, 2019

Reviews

- **School Library Journal** (1 January 2020) Gr. 4-8 “In the midst of the typical middle school angst, a not guilty verdict in a case concerning a police officer shooting an African American man is announced and Shayla begins to relate to the Black Lives Matter movement in a way she never has before.”

- **Booklist** (1 June 2019) Gr. 5-8 “The captivating protagonist likes to avoid trouble, wishing only to hang out with her two best friends, catch the eye of a boy crush, and excel at running track. However, when her eyes become open to the racial injustices in both her community and her very own school, she becomes a Black Lives Matter activist.”

- **Kirkus Reviews** (12 March 2019) Fiction 8-12 “Trouble follows, bringing with it important lessons about friendship and courage. Awkward, endearing, and memorable, Shayla navigates the world of middle school and the troubled world beyond with wit and endless heart. A timely, funny, and unforgettable debut about friendship, facing your fears, and standing up for what's right.”

- **Horn Book Magazine** (1 March 2019) “Shayla’s first-person account is honest and relatable as she tries to do the right thing by her peers, her school community, and herself. The protagonist’s emotional and civic maturation is believably portrayed, and as her understanding of the Black Lives Matter movement clarifies and deepens, so does the reader’s.”
